

CUGA 3

This easy all rounder is aimed at entry level, and infrequent flying pilots. The CUGA 3's passive safety easy launch and convenient handling give you immediate confidence and pleasure from the very first moment.

The profile has been specially developed for maximum pitch stability, giving you stress-free flying pleasure.

FEATURES OF THE CUGA 3

- » Light weight canopy
- » Smallest packing
- » Convenient handling
- » Balanced flight characteristics
Homogeneous launch behaviour
- » Best performance in its class
- » New dynamic design
- » New wing shape with slightly more aspect ratio and agile handling, better performance with SST technology
- » New, faster trim speed – when launching canopy comes overhead quicker
- » EN/LTF certification category A on all (except XS)
- » Available in 5 sizes
